PETITIONING THE COURT

To issue a warrant.

The probation officer believes that the offender has violated the following condition of supervision:

Violation Number Nature of Noncompliance

- 1 **Special Condition # 16:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Mr. Adams is considered in violation of his conditions of supervised release by consuming controlled substances, cocaine, morphine, and oxycodone, on or about May 5, 2010.

On May 5, 2010, Mr. Adams reported to the probation office and submitted a urinalysis sample. The sample tested presumptively positive for opiates and cocaine. At that time, Mr. Adams admitted to this officer that he had "taken some hydros," which he later explained was hydrocodone. Mr. Adams denied using cocaine and the sample was sent to the laboratory for confirmation.
